Comprehensive IT Services
Expertise, Reliability, Innovation

Why Partner with ATS for Comprehensive IT Services?

Trusted by Diverse Organizations: For over 25 years, numerous organizations have chosen ATS for our expertise in managing technology effectively across industry verticals.

Your Single-Source IT Partner: We serve as a one-stop solution for all your IT needs, including Managed Services, Consulting, Support, Cloud Solutions, and Cyber Security.

Tailored to Your Unique Requirements: Our team works closely with your organization to understand and address your specific IT challenges, ensuring solutions that align with your goals.

Drive Business Growth: Leverage our services to reduce costs, enhance operational efficiency, boost revenue, and effectively mitigate risks.

Access to Expert Knowledge: Benefit from our knowledgeable staff who bring best-in-class solutions and service, ensuring your IT infrastructure supports your business objectives.

Our Comprehensive IT Services Portfolio:

Managed Services and Infrastructure Support

Ensure the smooth operation of your IT infrastructure with our managed services, providing proactive monitoring and maintenance.

Managed Hosting and Cloud Services

Embrace the power and flexibility of the cloud with our managed hosting solutions, designed for scalability and reliability.

Information Security Services

Protect your digital assets with our advanced security services, including continuous monitoring and threat management.

Compliance and Privacy Services

Navigate the complex landscape of IT compliance and privacy with our expert guidance, ensuring adherence to regulations and standards.

IT Strategy and Consulting

Align your IT strategy with your business goals through our comprehensive consulting services, driving innovation and competitive advantage.

Customized IT Solutions

Beyond these core services, we offer tailored solutions including software development, data analytics, and more to meet your specific business needs.

Transform Your Organization with Advanced IT Solutions

American Technology Services: Pioneering Future-Ready IT Services.
